

iTrade Global (CY) Limited

Cookies Policy

Last updated on 9th of October 2020

1. INTRODUCTION

- 1.1. iTrade Global (CY) Ltd (hereinafter referred to as “the Company”) is a Cypriot Investment Firm (“CIF”) that owns and operates the brand “**TRADEFW**” and the domain www.TRADEFW.com. The Company is incorporated and registered under the laws of the Republic of Cyprus, with registration number HE 335424 and is authorized and regulated by the Cyprus Securities and Exchange Commission (the “CySEC”), with CIF license number 298/16.
- 1.2. The Company is using cookies on its website(s) to enhance the user’s experience. This document explains what cookies are, what information they gather and how these are used.
- 1.3. This Cookies Policy applies to all of the Company’s website(s), branded pages or websites which are operated by or on behalf of the Company.
- 1.4. A pop-up window will appear as soon as you visit the Company’s website where you can read the cookies policy, of the Company and how cookies are used to which you need to consent in case you consent to the use of cookies by the Company. If you do not consent to the cookies the Company uses, this may impact your experience while on the Company’s website.

2. COOKIES EXPLAINED

- 2.1. Cookies are small files or pieces of information, which are be stored on your computer or other devices such as a tablet, iPad or smartphone when you visit the Company’s website(s) in order to optimize the functionality of the Company’s website(s).

3. HOW COOKIES ARE USED

- 3.1. Cookies are used for a variety of reasons but the most common ones are to improve the Company’s website’s performance and/or functionality & features, to present the Company’s products according to the user’s personal preferences, interests and needs as well as to help speed up his/her future activities and experience on our website(s).
- 3.2. Cookies are frequently used on many internet websites and you can choose if and how a cookie will be accepted by changing your preferences and options in your browser.
- 3.3. The information and data that these cookies collect may contain personal identifiable information (such as your username, IP address) however these are not sufficient to identify you as an individual.
- 3.4. If you create a trading account with the Company, cookies will be used (including but not limited to) for the following reasons:

- To retain information that the user provides the Company with during his/her website navigation such as remembering previous actions (e.g. entered text) to avoid repeating the same steps in the future;
- To remember and save the choices you make (such as your user name or your preferred language) to provide a more personalized online experience across the Company's website(s).
- To remember your site preferences when you log out;
- To remember newsletter or email subscription services and show relevant notifications/alerts when there are news or updates;
- To remember orders given between webpages so that a payment can progress smoothly;
- To remember information and/or data submitted via the Contact Us form or surveys/questionnaires so as to avoid fulfilling all the fields on the relevant form;
- To remember your user details for future correspondence;
- To collect information regarding how you use the Company's website(s) and other sites, sites/areas visited, for how long, the time spent on the website, what do you do while on those sites and any issues encountered to help us improve the performance of our website(s);
- To test new features on the Company's website(s) and understand which optimizations the users prefer in order to make relevant changes as to the way that the website(s) are delivered;
- To monitor the user's behaviour, interests and/or personal preferences in order to present to him/her with similar suggestions that might be of interest;
- To customize the website(s) content according to what is more relevant to your preferences and your interests. They may be used to deliver targeted advertising or to limit the number of times you see an advertisement. They also help us measure the effectiveness of advertising campaigns on the Company's websites.

3.5. Lastly please kindly note that these cookies are usually deleted when the Client logs out or leaves the Company's website and/or trading platform (commonly known as "session" or "temporary" cookies) however, in some cases cookies may remain on your computer or internet device for a longer period of time depending until the user manually deletes it (commonly known as "persistent" or "permanent").

Type of Cookie	What do they do?	Do these cookies collect the user's personal data / identify him/her?
Necessary	These cookies are essential to make the Company's website(s) work correctly, they enable you to move around our website(s) and use our features. Examples include remembering previous actions (e.g. entered text) when navigating back to a page in the same session.	These cookies don't identify you as an individual. If you do not accept these cookies, it may affect the performance of the website, or parts of it.
